

CURRICULUM VITAE

Name: Ichiro Uyama

Home Address: 2-202-1 Shinonokaze, Midori-ku
Nagoya, 458-0011, Aichi,
JAPAN

Business Address: Department of Surgery
Fujita Health University
1-98 Dengakugakubo, Kutsukake-cho
Toyoake, 470-1192, Aichi
JAPAN
(Tel) +81-562-93-9254

Date of Birth: September 16, 1960

Place of Birth: Tokushima, Japan

Education

1995 Ph.D. (Dr. of Medical Science), Keio University
1985 M.D., cum laude, Gifu University School
Medicine, Gifu
1985 Graduate from High School

Professional Training and Employment:

2006-present Professor and Chairman, Department of Upper GI Surgery
Fujita Health University

2002-2006 Associate Professor, Department of Surgery,
Fujita Health University

1997-2002 Assistant Professor, Department of Surgery,
Fujita Health University

1991-1997 Medical Staff in Surgery,

1985-1991 Nerima General Hospital, Tokyo
Resident in Surgery, Keio University

Licensure and Certification

Japanese Medical License , No. 293956 , 06/06/1985
Board of Japan Surgical Society, No. 3870 ,12/01/1989
Japan Gastroenterological Society's Certificate, No. 20957, 12/01/1993
Board of Japanese Society of Gastroenterological Surgery No. 3000308, 12/06/1995
Councilor, Japanese Society for Endoscopic Surgery, 12/1/1999
Councilor, Japanese Gastric Cancer Association, 03/01/2002

Societies:

Japanese Society of Gastroenterological Surgery
Japanese Cancer Association
Japan Society for Endoscopic Surgery
Japan Surgical Society
